

Department of Mathematics and Computing applied to Social Sciences

Description succinte

The Department of Mathematics and Computing Applied to Social Sciences (MIASHS) offers students two programs: the MIASHS Bachelor's (co-accredited with the University of Rennes 1), and the Master's degree in Applied Mathematics and Statistics (MAS) (co-accredited with Rennes 1, INSA Rennes, Agrocampus Ouest and the ENSAI).

Our department aims to prepare students for professions related to mathematical engineering and statistical analysis, with the capacity to expertly analyze and model data at the end of five years of training.

Bachelor's Degree
