Video Series (3): Happy 50th Anniversary Rennes 2!

To celebrate the 50th anniversary, Rennes 2, with the help of its partners, has prepared a dense and varied programme of activities to take place throughout the year 2019, including: guided tours, exhibitions, conferences, student projects, concerts, screenings, etc. The aim of these events is to demonstrate how the character of the university, through its history, activities, mission and know-how, has played an essential role in the Breton territory.

In order to mark this milestone, a book on the university's rich and abundant past is also being prepared and will be published at the end of 2019.

A website, dedicated to the 50th anniversary of Rennes 2, regroups all the information concerning this year's festive programming. The university's timeline on the website means that you can also discover the highlights that have punctuated the its existence over the last half a century.
