Student Health Week - Canceled

Contenu sous forme de paragraphes

Rennes 2 University is committed to promoting student health.

From March 16 - 20, 2020, Rennes 2 is launching its first "Health Week" on the Villejean campus. Various activities will be offered to students (workshops, conferences, screenings, debates...) to help them take care of themselves during their studies.

Organized by Patricia Legris, Vice-President in charge of health, solidarity and social support, our students are invited to attend one or several workshops or visit information kiosks available on campus on these topics and more:

- · Healthy and sustainable food
- · Consent and relationship to the body
- Cinema-debate on the documentary Arte "Brain-food"
- "Zero Waste" Workshop
- · Mental health and illness workshops
- Workshop: Self-confidence through Positive Psychology
- Gender and mental health: historical landmarks and contemporary issues
