

Journée Portes Ouvertes: Rennes 2's Open Day 2022

This event is a great opportunity to take part in conferences, visit our campuses, libraries, and research centers. A valid vaccine pass will be required to gain entry.

Join us on the Villejean and La Harpe campuses for:

- conferences about courses offered in the arts, communication, languages, literature, human sciences, social sciences and sport fields
- information desks about DEUST, Licence's and Master's degree programs and facilitated by students and teachers
- information desks about student life at Rennes 2: accommodation, scholarships, health, student organizations
- resource sites like the various libraries, le Tambour (exhibition and performance hall), the Gallery « Art & Essai
- an exhibition organized by students of the Master's degree program "Digital Creation" ([livret de l'exposition](#) - available in French)

Please find the full program of this day [here](#).

In addition, videos presenting various courses will soon be available on Rennes 2's [website](#) in French.

The Mazier campus (in St. Brieuc) will hold its Open Day event on March 5th, 2022.
