**LIST OF
COORDINATORS
BY
DEPARTMENT
2021-2022**

Rennes 2 University is made of 5 faculties and 24 study departments.

You'll find at least one coordinator in charge of international exchanges in each department.

During the welcome week, you will be able to meet them or talk to them by email. They will be able to present their department to you, but also advise you on your choice of classes.

From the start of the course, you will have two weeks to go to all of your classes and make your final choice.

After these two weeks, the International Office will validate your choice of classes during an individual appointment in order to complete your registration for the classes. This registration will be for classes as well as exams
