STUDENTS EXPERIENCE

“My Erasmus experience in Rennes ? The eighth wonder of the world ! Not only for fun but for personal development and for sharing an experience with people from every nationality like a big family”

Graziana, Università degli Studi di Catania, Italy

“I am still moved by the landscapes from the coast and the sea in Brittany”

Yua, Kagoshima University, Japan

“I am sure that for the landscapes (wild coasts, beautiful beaches, islands) and the Breton culture (Fest Noz, celtic music), I made the perfect choice with Rennes”

Valérie, Universität Würzburg, Germany

“It was an amazing stay with unforgettable people, a unique experience in a beautiful city with a great university atmosphere.

In Rennes I learned about French culture. I will miss it!”

« Doing sport with the SIUAPS was very helpful to meet French students. The kayak teacher was really great, very nice and welcoming. It was my best experience.

Valerie, Universität Würzburg, Germany

“Classes with the CIREFE were extremely useful and the professors are so nice!”

Lydia, University of Sheffield, UK

“The most rewarding experience of my life, both on an academic and personal level, I don't want to leave Rennes!”

Oskar, Universidad de Guadalajara, Mexico

“If Erasmus bureaucracy was reduced, Erasmus life would be easier! But, the city of Rennes was the starting point of a big stay in Brittany which is a French region with many traditions and a long history.”

Elena, Ethniko kai Kapodistriako Panepistimio-Universite d'Athens, Greece

“Intercultural learning!”

Carolina, Universidad Nacional de Cuyo, Argentina

Sara, Università degli Studi di Salerno, Italy

“What I've liked the most was the media library which is very well-equipped with a very good atmosphere to study.”
