Rennes 2 University

Department of Languages Applied to Business and Translation

Description succinte

In a context of the globalized economy, the need for internationally-trained human resources is growing. Our department provides students with the opportunity to perfect two languages, including English (compulsory) and aims to familiarize them with socio-economic environment of international commerce, technical translation and e-commerce.

The Department offers courses in three languages: French, English and one of the following languages: German, Spanish, Italian, Portuguese (depending on the number of available places).

Bachelor's Degree

Applied Foreign Languages (LEA) Bachelor’s Degree: English / German, English / Spanish, English / Italian, English / Portuguese

Master's Degree

Applied Foreign Languages (LEA) Master’s Degree

Translating and Interpreting Master’s Degree
