Rennes 2 University

# Global Partnerships

Rennes 2 University has agreements with numerous European institutions and other establishments around the world. Mobility is governed by cooperation agreements signed between the departments.

## Agreements and Partners

**With 210 Erasmus agreements, the European Union is the main partner region of Rennes 2 University.** The university structures its partnerships outside of Europe in three directions:

- the continuation of our commitment towards the French-speaking world and particularly, Quebec, the Maghreb and the Middle East
- the strengthening ties with the Americas
- the development of its relations with Southeast Asia (especially Vietnam).
