

The International Office at Rennes 2

3,200

international students

123

nationalities represented

1

French Language Centre

The International Office also ensures the development and promotion of the University's international cooperation policies overall. To this end, it is responsible for:

- Coordinating and organizing international mobility for exchange students and teaching and administrative staff
- Managing administrative and financial aspects of international exchange programs
- Counseling and assisting the Research and Administrative offices of the university
- Promoting the creation and upkeep of bilateral agreements with partner institutions

Our offices are located in the D building of the Villejean campus.

Welcome Week for International Students

Some of our support services include helping the integration of its incoming exchange students by organizing special orientation week focused on welcoming students and helping them find their place within the university. This usually takes place in both early September and early January. Check with our office for specific dates.

We also organize the campus' International Week, a week dedicated to informing students and staff of the possibilities and the procedures necessary to participate in exchanges.
