

## Roundtable: Gender Equality in the Workplace, Mission Impossible?

Contenu sous forme de paragraphes

### Roundtable Discussion

How to become aware of gender equality issues between women and men in the workplace?

We invite you to discuss this question with various representatives from the professional world, both private and public sectors, and specialists on gender equality.

### Speakers/ Participants:

- Annaïck Morvan, Direction générale de la cohésion sociale (DGCS)
- Fanny Bugnon, Lecturer in contemporary history / Gender studies - Rennes 2
- Laurence Dalmay, National Professional Equality Representative - Orange
- Pierrick Jezequel, Recruitment and career management manager and equality adviser - Kéolis
- Sarah Caquineau, Member of the Resonantes organization (an organization that fights violence against girls and women) and former parliamentary collaborator in the National Assembly

*Language Note: Please note this discussion will take place in French.*
