

International Study Days of Psycho-criminology and Victimology 2019

Contenu sous forme de paragraphes

The student organization on psycho-criminology and victimology of Rennes 2 (AEPCVR2) presents the 19th edition of the International Study Days on Psycho-criminology and Victimology

The theme of the event will focus on minors: "When guilt and vulnerability meet: the place of the family in the prevention of juvenile delinquency". **For two days, different professionals will discuss issues related to family, delinquency and prevention.**

The pre-program is available on the following platforms:
