

Exchange Students

Procedure for Exchange Students

To register as an exchange student:

- Consult with your home university to learn more about the application process.
- Your university can then send the information to the International Office at Rennes 2 University.
- Rennes 2 will send its registration procedures to selected students by email.

Deadline for sending the application form: 1 May for the 1st semester and 1 October for the 2nd semester.

Free French courses

Exchange students arriving at the beginning of the semester, in early September or early January, will have access to French classes offered by the [Rennes International Centre for the Study of French \(CIREFE\)](#). They will benefit from a free semester of language support. These courses (offered twice a week) take place in the evening, with availabilities Monday through Thursday, from 6:15p.m. to 8:15 p.m. If you are an exchange student and would like to learn more about this possibility please contact the International Office at Rennes 2 University.

Other Courses Available to Exchange Students

The International Office has put together a course guide for exchange students. It presents the courses that exchange students can choose for free as well as the teaching schedule and procedures (ECTS per course, assessment and evaluation procedures, etc.).
