

International Exchange Students' Orientation and Welcome Week

Contenu sous forme de paragraphes

Are you an international exchange student at Rennes 2? Have questions and looking for answers?

Come, listen, discuss and ask questions about anything and everything you need to know in order to make the best out of your time while at Rennes 2!

The Orientation and Welcome Week is organized each year by the International Office. If you are an international exchange student arriving at Rennes 2, then you'll want to save the date: September 2 - 6, 2019, on the Villejean campus!

On the Program:

- A number of information meetings will be organized, in partnership with the department coordinators, CIREFE, SCD, ESN,...
- Rennes 2 students who have previously been abroad will also be present to help newcomers with any questions they have.
- In addition, several guided visits will be proposed, in order to allow students to discover the campus, the city of Rennes, and Mont Saint Michel...
