For the occasion of the 50th anniversary of Rennes 2, the Ciné-Tambour will team up with the Écrans variables to transport you back to 1969, the very heart of the psychedelic movement. A highlight of this period, Woodstock will be featured with Ken Russell's film Tommy during the first part of the evening. The second part of the night will explore the experimental cinema of the time through a round of short films designed to immerse you in a real visual and sound journey to the land of psychedelia. So let yourself be carried away by the images and sounds at the Ciné-Tambour!

And all day long:

- Douch'Box: An unexpected and offbeat karaoke, hidden from view where you can sing alone, with two or more people and show your talent to the world. Special 50th anniversary edition!
- Ateliers de l'Édulab: Make your 50th anniversary keychain using laser cutting techniques
- Student activities : Mechanical bull, bubble soccer, initiation to quidditch...
- Photobooth: Come and take a picture of yourself in the campus spirit!
- Free space: Do you have items at home that you no longer need? Are you missing things in your home space? Leave or take something you need from the free space!
- The university's pop-up store: A new range of student items will be on sale in Hall B (*come prepared - cash or checks only please*).
