Rennes qualifications of ""Ma Thèse en 180 secondes" 2020

On Wednesday, March 4, 2020, 13 PhD students took up the challenge of presenting their thesis in 3 minutes, with the aim of explaining their research work to the public through a clear and concise presentation

The result: four qualifying places for the Bretagne-Pays de la Loire final of "Ma Thèse en 180 secondes" (My Thesis in 180 seconds) which will take place on Thursday 12 March 2020 at the Quartz in Brest.

This Rennes stage of the competition will be organized at the École des hautes études en santé publique (EHESP).

Reservations are required.

The 13 candidates:

They come from the Universities of Rennes 1 and Rennes 2, ENS Rennes, INSA Rennes and Agrocampus Ouest, these 7 doctoral students and 6 PhD students are preparing their theses in a wide variety of fields: chemistry, artistic discipline, information and communication technologies just to name a few.

The public and a professional jury will decide which students will be admitted to the next phase of the competition, the interregional final which will take place in Brest on 12 March 2020.
