What is #ErasmusDays?

Launched as an initiative of the Erasmus+ French National Agency on the 30th anniversary of Erasmus+, #ErasmusDays consists of a series of bottom-up events organised by various Erasmus+ programme players. Last year, 3 995 events were organised in 53 countries.

At the core of this international celebration is a simple idea: over three specific days, communicate about European values, the benefits of mobility, Erasmus+ projects results, and be visible to citizens, professionals, media and policy makers. The #ErasmusDays 2020 will take place on 15, 16 and 17 October.

Erasmus Day at Rennes 2: Thursday, October 15.
