

## Cap sur l'Europe: Jobs and Internships in Germany

Contenu sous forme de paragraphes

### Searching for jobs and internships in Germany

*Conference with a representative from the German Embassy*

Are you looking for an internship or a job in Germany? This conference is for you! Among other things, it will address the following questions:

- Which sectors and regions to target?
- Where to look for job offers?
- What salary to expect?
- Where to ask for mobility subsidies?
- How to prepare a strong application?
- How to organize your move to Germany?

Do not hesitate to formulate your requests beforehand, the speaker will try to answer them as well as possible.

### Participation on registration:

You can find [here](#) a Cursus space "internships and jobs in Germany", for self-registration on Cursus.
