

Quartier libre pour la création: Supporting the creation of community businesses

Contenu sous forme de paragraphes

From March 28th through April 1st, 2022, a new series of events focusing on the creation of new businesses will take place on the Villejean campus and in the surrounding neighborhood.

This first edition of "Quartier libre pour la création" offers a rich program: round tables, workshops, hackathon, meetings, etc. With a focus this year on the social and solidarity economy (SSE).

This new event, **organized by Rennes 2 and labeled *Cap sur l'Europe***, brings together many partners (Fondation Crédit Agricole, We Ker, ESS Cargo & Cie, RESO Solidaire Pôle ESS, ADIE, TAG35, Pépite Bretagne) with the objective of raising awareness of entrepreneurship among students and residents of the Villejean district; to introduce the actors of the support and their service offer and finally to promote initiatives and actions in SSE.
