European Responsible Research and Innovation Event

Contenu sous forme de paragraphes

First edition of ERRIE, training and meeting days organized in the framework of the European program BIENVENÛE, coordinated by the Region of Brittany.

BIENVENÛE offers 75 two-year postdoctoral positions to international highly-skilled researchers. Co-funded by the EU Marie Skłodowska-Curie Actions, Région Bretagne and partner institutions, the programme aims to reinforce Brittany's research excellence and R&I regional politics.

This event is reserved for postdoctoral fellows from Brittany. Registration within the limits of available places before March 31, 2022
