

International Students and Researchers: Join the CMI Rennes for the End of Year and 2nd Semester Events!

The International Mobility Center is a dedicated resource center that provides support and services to international students, doctoral candidates and researchers who are planning on move to Rennes or who have recently arrived in Rennes.

Its premises are located at the Cité Internationale, 1 place Paul Ricoeur (downtown Rennes / Metro **A** - Charles de Gaulle station or Metro **B** - Gare or Saint Germain station).

Both of the below events will take place at the Cité Internationale.
