Local and and regional partners

In addition to the organisations formally participating in the Alliance (the coordinator and partner organisations), European University Alliances may also involve other partners from the public or private sector that contribute to the implementation of specific project tasks/activities or support the promotion and sustainability of the project.

Indeed, being able to rely on a comprehensive and close network of partners is key to the development of and communication around the Alliance.

Rennes 2 University is proud of being able to count on a strong and diverse network of French partners, including:

Regional schools:

- Lycee General Techno Alain Rene Lesage
- Saint Joseph- La Salle

Higher education institution:

- INSPÉ de Bretagne

Regional and local authorities:

- L'Office Public de la Langue Bretonne
- Lorient Agglomération
- Regional Council of Brittany
- Rennes Metropole
- Vannes Agglomération

Non-profit organisations, cultural and social organisations:

- ESS Cargo & Cie
- INTER+VALUE : NGO of Appraisers, Developer
- Kerpape Functional Reeducation and Rehabilitation Centre
- L'âge de la tortue
- Territoire Apprenant Pays de Vannes

Our Alliance also includes a Global Partners Network of Higher Education Institutions. You can find this list here: https://euemerge.eu/partners/

This list will continue to evolve through the development of various activities and ongoing collaborations.
