Notes

- **BIP**: A short, intensive programme combining online learning activities with a short physical mobility period at a partner institution.

- **Trauma-informed teaching**: An approach that creates a safe and predictable learning environment supporting students who have experienced difficult or adverse events.

Mobilities for PhD candidates and Researchers

2027	2 days	Thrace, Greece	EMERGE Scientific Forum. A conference offering researchers a platform to present innovative projects in collaboration with external partners.
2028	2 days	Banská Bystrica, Slovakia	Career Days. Early-career researchers will have the opportunity to present their work and meet potential employers.
2028	2 days	A Coruña, Spain	EMERGE Scientific Forum. A conference offering researchers a platform to present innovative projects in collaboration with external partners.
2028	5 days	Thrace, Greece	BIP. The programme aims to strengthen doctoral candidates' transversal skills—such as critical thinking, leadership, teamwork, and project management—while placing particular emphasis on written and oral scientific communication.

Local Internship Possibilities

The below internships are available for students of the following EMERGE partner universities:

- University of Limerick, Ireland
- Europa-Universität Flensburg, Germany
- Université Bretagne Sud, France
- Democritus University of Thrace (DUTH), Greece
- Inland Norway University of Applied Sciences, Norway
- Universidade da Coruña, Spain
- Univerzita Mateja Bela, Slovakia
- Neapolis University Pafos, Cyprus

Animation and fabrication in a Fablab:

The Edulab of Rennes 2, located on the Villejean campus, is an open space dedicated to digital fabrication. A member since 2017 of Labfab, the Rennes network of FabLabs — one of the largest of its kind in France — the university FabLab offers support and guidance to anyone wishing to bring an educational, creative, or personal project to life. One internship (professional or research-based) is available per semester at the Edulab.

ESS-Cargo Third Place:

Founded in August 2020, ESS Cargo & Cie is a non-profit association guided by values of collaboration, ecology, and social justice. Its purpose is to help build a fairer and more sustainable world through collective action and reflection. Rooted in its local community, the association works in partnership with various stakeholders: beneficiaries, volunteers, organizations in the Social and Solidarity Economy (SSE), actors from the traditional economy, and public institutions. *Date of publication: 7 November, 2025.*
