

Upcoming: Campus Week Festivities 2026

Get to know your campus at Rennes 2

At the beginning of each academic year, Rennes 2 organizes a convivial moment where students can familiarize themselves with the main offices, student associations, cultural events, health, and life in Rennes – along with many fun activities!

Campus Week - Villejean (Rennes)

Everyday from 10 a.m. to 5 p.m.

- Associations village: stands and activities of student organizations: [See more information on student organizations at Rennes 2](#)
- CVEC stand: learn about the CVEC and what actions you can take on campus!
- Cultural Services Office: get your fill of cultural news! Meet the cultural actors of our campuses and the city of Rennes, join activities, and get merch, all in the L building.
- Free distribution of period pads & other period protections

Activities

- Photo booth
- Inflatable structures
- Edulab workshops: discover the university fablab through many activities!
- Lottery: get your tickets from the stands, bring them to the dedicated box at the CVEC stand, and be there on September, 17th, at 3:45 p.m. to see the lots drawn!
- Graffiti workshop with artists Hit and Wan

Tuesday, September 8th

International Desk: our International Office team and the CMI are ready to help international students find answers to questions you may have regarding your studies, campus, housing, social events, etc. You can also learn about the EMERGE Alliance and various international opportunities.

- Student Health Center (SSE): meet our health specialists and students, learn about how they can help you and the activities they offer, and get their preventive merch: “bar dose” glasses, condoms, earplugs, breathalyzers, and informative leaflets.
- Sustainable development space: free hand-me-downs and information on sustainability at Rennes 2.
- 12 p.m. > 2 p.m. Concerts/Shows: Blind Test & DJ Set: bring in your team, be the fastest to guess the titles, and win the game!

- Song excerpts, points, and competition brought by the eccentric humor of the Vinyl Lovers – enjoy rounds across times and genres!

Wednesday, September 9th

- CPAM: learn about student health insurance
- Life in Rennes: the Ville de Rennes helps you to find out about life in Rennes and answers your questions about plans fostering leisure activities, expression, and participation to city life. The 4BIs will also be there to provide information on various subjects (jobs, housing, health, rights, careers, education...)
