

Students Support Area (EAE)

The Students Support Area (EAE) is a place of reception for all students.

The DÉVU team welcomes you for a personalized exchange, whether you are a Rennes 2 student, a prospective candidate, an alumnus/alumna, or if you simply have questions about the university. In all cases, DÉVU's role is to inform you and direct you to the right contact, either within or outside the university.

The personalized welcome is complementary to the information present on the university's website. Feel free to come to the EAE for further information. The DÉVU reception staff will take the time needed to address your questions based on your specific situation:
